

# Kennel Quilts Team

## General information:

**Kennel Quilts** was formed after Hurricane Sandy to help animal shelters affected by disasters. Started by **TQPM (The Quilt Pattern Magazine** - an international, digital-only publication), it is partnered with the **Petfinder Foundation**.

The **Kennel Quilts** team is a volunteer organization available whenever disasters strike - a way to join a larger effort helping our animal friends in times of need by doing what we love.

## How It Works:

When disasters strike, **Kennel Quilts** checks with the **Petfinder Foundation** and shelters to see if there is a need of assistance.

Whenever **Petfinder** receives a request, the shelter's information is immediately sent to **Kennel Quilts**, which responds with a call requesting the correct mailing information - a necessity in case shelters have been severely damaged, and alternate housing has been set up. **Kennel Quilts** posts the request to their Facebook page and social community.

The **Kennel Quilts** team springs into action making kennel quilts and sending them to the shelter along with a form explaining the **Kennel Quilts** program and naming the sponsors. Members also send **Kennel Quilts** a picture and the number of kennel quilts made, which is then posted on both the Facebook page and social community.

## Join The Team:
